

ST. LOUIS RECYCLING
& WASTE SOLUTIONS

Values & Benefits – Working with Us

St. Louis Recycling & Waste is proud to offer the following benefits to your organization, staff and/or tenants by utilizing our services.

- **Who We Are:** a family-owned *Service-Disabled Veteran-Owned Small Business* and members of the following: Missouri Recycling Association, St. Louis-Jefferson Solid Waste Management District, St. Louis Apartment Association and Fenton Chamber of Commerce.
- **What We Believe:** environmental stewardship is the heart of our operations. Our mission is simple. When your business succeeds – we succeed. We are your partner and trusted advisor to drive cost efficiency through waste reduction, while delivering a smart, simple and affordable waste+recycling service package.
- **Our Diverse Services** include:
 - commercial waste (trash) service
 - *single-stream* “no sort” recycling service
 - paper-only recycling & shredding services
 - batteries, lamps & bulbs recycling
 - composting services
 - equipment types include: bins & dumpsters, balers & compactors, gaylords & tilt-trucks, as well as an array of material handling equipment
- Comprehensive tracking of waste and recyclable material is an available option, including annual waste audits, which help to maintain proper service levels.
- LEED AP staff is available for consultation, including a team of industry specialists, trained to provide customers with leading-edge solutions and service.
- We support the only “**green**” landfill in Missouri thanks to the ‘Methane to Megawatts’ program with Ameren UE. The program collects & converts waste methane gas from the landfill to produce enough electricity to power over 10,000 homes, schools and churches in the Maryland Heights area.
